"I will take the time to get to really know you as an individual. This will allow me to understand your unique financial circumstances and tailor solution to help you achieve your financial goals."

Hi, I'm Bruce and I've been with Westpac as an Investment Adviser since 2009, after returning from the UK where I spent three years at Barclays. In addition to this, I have over 10 years experience working in various other roles within the banking industry.

I have a Certificate in Financial Planning from the IFS School of Finance in the UK. I am also currently completing a Graduate Diploma in Financial Planning from Massey University.

In my spare time, I enjoy watching and playing cricket and football. I also like spending quality time with my friends and family, enjoying the great New Zealand lifestyle.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
