"I enjoy working with clients to understand their needs and ensure that they are able to achieve their financial goals."

Hi, I'm Diana. I've been with Westpac as an Investment Adviser since 2008 and have over six years working in various other roles within the banking industry.

I am committed to furthering my education and am currently completing a Graduate Diploma in Business Studies through Massey University.

My spare time is largely spent with my family and young daughter.

I would love the opportunity to meet with you. We can then discuss your investment needs and work together on a plan to make it all happen.

I look forward to meeting with you!
