"I believe the relationship between an adviser and client is paramount. Trust and personal integrity are essential to foster this."

Hi, I'm Don. I've been with Westpac as an Investment Adviser since 2005 and have over 5 years working in various other roles within the finance industry.

I am committed to furthering my education and I am currently completing a Diploma in Business Studies through Massey University.

In my spare time, I enjoy the outdoors and am a member of the Board of Directors for Taranaki Golf.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
