"I provide my customers with a wealth of experience and a general caring attitude to best serve their needs."

Hi, I'm Gwenderlin and I've been with Westpac as an Investment Adviser since 2005. In addition to this, I have over 18 years working in various other roles within the banking industry.

I am committed to furthering my education and I am currently completing a Diploma in Business Studies through Massey University.

In my spare time, I am a keen sports person and rode the "Tour de France" in 2004.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
