"I like helping and educating people with their money and being able to develop strong relationships with my clients to make this process simple and easy, yet with rewarding financial benefits."

Hi, I'm Nish and I've been with Westpac as an Investment Adviser since 2004.

I have a Masters Degree in Financial Management & Economics as well as a Post Graduate Diploma in Personal Financial Planning.

In my spare time, I like to play tennis and have internationally represented India and Auckland in table-tennis.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
