

Peter Merrifield

"I am passionate about helping people achieve their financial goals, make informed decisions about their financial future, and ultimately making a positive difference to their lives."

Hi, I'm Peter, I've been with Westpac as an Investment Adviser since 2009 and have over 26 years working in various other roles within the banking and finance industries.

I am committed to furthering my education and am currently completing a Masters of Applied Finance and the New Zealand Stock Exchange Diploma, both through Kaplan Professional. I have also completed a Graduate Diploma of Applied Finance (Financial Planning).

In my spare time, I enjoy time with my wife and dogs. I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
