

Quintin Budler

"I feel I can add value to my clients through my experience in investing, and by effectively matching client needs and goals with the best investment solution and strategy for their individual situation."

Hi, I'm Quintin and I've been with Westpac as an Investment Adviser since 2007. In addition to this, I have over 20 years in the investment and financial services industry in both NZ and South Africa.

I have completed a Bachelor of Commerce and am a Certified Financial Planner^{CM} in both NZ and South Africa. I am also a member of the Institute of Financial Advisers.

In my spare time, I like to spend time on the golf course and playing squash. I am also a hockey coach for a 1st eleven school hockey team.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
