"There's nothing more satisfying than giving people who are new to the country a financial framework that helps them achieve their financial dreams and aspirations."

Hi, I'm Vivian and I've been with Westpac as an Investment Adviser since 2005, where I predominantly work with migrant clients. In addition to this, I have over 16 years working in various other roles within the banking industry.

I have a Graduate Diploma in Business Studies from Massey University and I am a member of the Institute of Financial Advisers.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
